You Appreciate

the convenience of having a few cans on hand of

HEINZ BAKED BEANS

when you are rushed for time.
They are so easy to prepare, and so thoroughly appetizing and wholesome that many housewives consider them indispensable.
Their distinguishing point is that they are really Baked—baked brown and meaty, every bean whole, with the food value left in it. That's where they differ from other brands—most of which are simply Boiled beans—except on the label.

Diamond Heads Plan a Smoker and Ball For Anniversary

On June 4th the third anniversary of the formation of the Diamond Head Athletic Club will be celebrated, with all due form and ceremony, at the Drillshed, where a smoker is to be held and a very interesting program rendered. This is to be followed by a ball at the Young Hotel on the 6th, which is a strictly invitational affair. Hundreds of people will be present at both, and it is safe to say that this will be one of the memorable events of the year in sporting circles.

The smoker invitations are now out, to the number of 350, which constitutes about the crowd which will be there. On the program will be two wrestling matches, of unusual interest, and for the clean love of sport alone, so that they will be free from all but the truest spirit of healthy competition. There will also be a novice race, the details of which are served, but which will be fun for racers and spectators alike. Quartets and instrumental musicians have been engaged; E. K. Al will be there to show how much music he can get out of all sorts of instruments; Frank Mays will impersonate a Japanese, and J. Dougherty will sing. The event, then, will be a notable galaxy of high-class talent, beyond a doubt. And the entertainers are known to have a part of the program yet under their hats, and promise that it will be the best of all when it is sprung.

The ball at the Young is to be a very nice affair, with about 250 couples present. It is strictly invitational, and will be more of an event for the general crowd of friends which the popular club has won here than even the smoker.

The Diamond Heads, in addition to their great popularity, are also remarkably successful ball-players,

and have laurels with which to lend jollity to the festive occasion; and can receive with kindred spirit the showers of compliments and good wishes which are sure to fall to their lot on this, their third birthday.

CLAY BIRDS SLAUGHTERED

The scratch men won out in the Hawaiian Gun Club shoot yesterday. Harry Whitney, the winner of the former cup, with a handicap of one, was the third man. J. W. Harvey won, with 10 out of 10 birds; D. L. Austin and I. Spalding tied for second honors, with 8 out of 10, and Whitney came in next with 8 out of 11.

A new weekly cup is now up, for which the men are shooting.

Lyman, the youngster who is playing the backstop position for McCriston this year, is taking the eyes of the crowd. Bert Bower is the last to go on record, with the observation that Lyman has the making of a great ball player in him.

Efforts Made To Get More Auto Races Run Here

Auto race talk is now in the air, though no one seems able to make a match. The Associated Garage is willing to match a 28 Franklin against any car of its horsepower, and the von Hamm-Young Co. have said that on receipt of a car of their own they would race the Associated people.

In fact, a number of challenges have been made, but they were apparently sincere, for one of the other of the parties, and a race could not be made.

In spite of the difficulties, both garages will soon have shipments of new cars in, when it is probable that the races will be made and run off.

The talk over this sort of sport has grown out of the great interest in racing recently by racing at the track between a Tourist 40 and a Franklin 28. This is the inception of auto racing here, but from appearances now, it is soon to be a very popular form of sport.

SPORTIVE SPLURGES

Cranfield, who will judge the coming bench show in this city, has received some nice notices by the Coast press.

The Diamond Head A. C. will hold a meeting on next Tuesday, at which the election of officers will take place.

The grass houses for the Outrigger Club are on the ground at Waikiki and will be put up at once.

Hoops of the Puna is moved over to cover third sack, as Hampton will be on the keystone bag.
